PARTNER WITH US!

Adventist Health in the South Pacific Division is committed to delivering projects that prioritise access to health and quality of life for all.

1.

The 10,000 Toes Campaign is “turning the tide” on diabetes and other chronic diseases in the South Pacific

2.

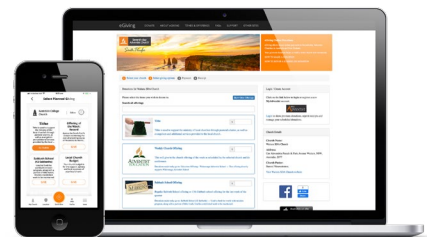

ELIA Wellness is collaborating with our partners and Wellness Hubs to take people on a journey to whole-person health.

3.

Wellness Hubs are making it easy for communities to access health resources, and so much more.

The year’s Adventist Health Offering will help us achieve our goal of 400 Wellness Hubs in the South Pacific.

Partner with us and allow this work to continue to grow to bring health, hope and healing to your community.
