You Say

Song by Lauren Daigle

I keep fightin' voices in my mind that say I'm not enough
Every single lie that tells me I will never measure up
Am I more than just the sum of every high and every low?
Remind me once again just who I am, because I need to know,

You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
An' You say I am held when I am fallin' short
An' when I don't belong, oh, You say I am Yours
And I believe, oh, I believe
What You say of me
I believe

The only thing that matters now is everything You think of me
In You, I find my worth, in You I find my identity,
You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
An' You say I am held when I am fallin' short
When I don't belong, oh, You say I am Yours
And I believe, oh, I believe
What You say of me
Oh, I believe

Taking all I have and now I'm layin' it at Your feet
You'll have every failure, God
You'll have every victory,
You say I am loved when I can't feel a thing
You say I am strong when I think I am weak
You say I am held when I am fallin' short
When I don't belong, oh, You say I am Yours
And I believe, oh, I believe
What You say of me
I believe

Oh, I believe, Yes, I believe, What You say of me
I believe.
